

Mission for November ABM - Archbishop's Appeal

Enhancing Primary Education in the Philippines

ABM invites us to support the growth of St Mark's Learning Centre in the Episcopal Church's diocese of Santiago in the Philippines, as it provides an educational future for hundreds of local children.

The Centre will offer classes from Nursery to Grade 7 (currently offering Nursery to Grade 2), increasing by one grade per year.

ABM AID has been asked for help to build a 2 storey building housing 8 classrooms on the site of the existing Children's learning Centre. The plan is by the end of 2028 to have all the elementary school grades, up to and including Grade 7. Each year the plan is to add an additional classroom.

As well as classrooms, the building will include toilets, a laboratory and library, all being accessible to children and adults with disabilities.

Weekly Prayer – Wednesday at 1pm at church.

Prayer for God's provision of a minister in this parish.

Bountiful God give to this parish a faithful pastor who will faithfully speak your word and minister your sacraments: an encourager who will equip your people for ministry and enable us to fulfill our calling. Give to those who will choose, wisdom, discernment and patience, and to us give warm and generous hearts, for Jesus Christ's sake. Amen.

Bible Verse: "But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law. Those who belong to Christ Jesus have crucified the flesh with its passions and desires. Since we live by the Spirit, let us keep step with the Spirit. Galatians 5:22-25.
